Note: "This whole article is for each Sign's role in general Vastu only in correlation with Horoscope, which is topic of further research".

Vastu very closely co-relates with Horoscope. "Directions" in Vastu corresponds through Different Houses/Signs in Horoscope. Planets act as catalyst to activate/deactivate different Events. In previous posts, I shared views for Taurus and Leo Signs. In this post, I will try to summarize all 12 Signs in respect of Vastu. In BPHS and Jataka Parijata and other classical texts, characteristics of each Sign have been quoted there. Following are some of the characteristics of 12 Signs:

Table: Sign and characteristics

Sign	Characteristics
1. Aries:	Resides in East, Related to Kings, Wanders in Hills. Aries Sign is also known as Surface of Earth which contains minerals and Gemstones.
